Who We Are:

The Association for Surgical Education is the premier organization dedicated to all facets of surgical education. The mission of the ASE is to promote, recognize, and reward excellence, innovation, and scholarship in surgical education.

Why You Should Join ASE:

- Collegial Environment
- Opportunity to Share Research
- Ability to Develop Collaborations
- Great Way to Test Out Novel Ideas

Who Should Join:

MD's, DO's, medical students, residents, nurses, clerkship and residency directors and coordinators, human factors engineers, surgical education researchers...anyone who shares our passion for surgical education!
