

2ND ANNUAL IPE SIMULATION VIDEO COMPETITION

We're looking for the best IPE simulation teams!

Compete to win the trophy! Top 2 teams will participate in the IPE panel at the 2022 ASE Annual Meeting in San Antonio.

The ASE Simulation Committee is now accepting submissions for the video-based, Second Annual ASE Interprofessional Education Simulation Competition. Teams will record a standardized, scripted IPE scenario and submit the unedited video footage of the simulation. The video footage will be objectively scored and the top 2 teams will be invited to participate in a panel discussion at the 2022 ASE Annual Meeting. (All panelists required to register.)

All entered teams will receive detailed debriefing and objective feedback!

Sign up your team today and get started!

Email jcalzada@tulane.edu to receive a copy of the scenario.

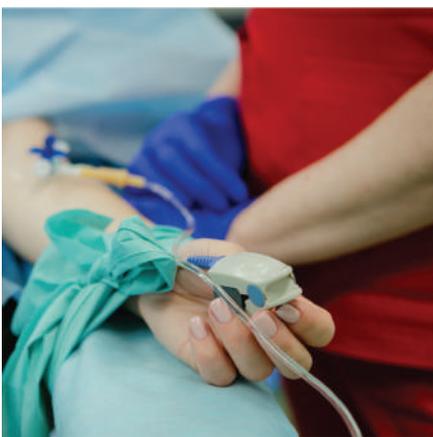

Required Team Composition:

(2) General Surgeons

(1) Nurse

(1) Anesthesiologist or Emergency Medicine physician

Optional additional members from any discipline,
any role may be a resident

Deadlines:

March 18 Video submissions due
