Association for Surgical Education

Dear Colleagues:

Welcome to 2016 Surgical Education Week, the 16th consecutive annual combined meeting of the Association for Surgical Education (ASE), the Association of Program Directors in Surgery (APDS) and the Association of Residency Coordinators in Surgery (ARCS). This year's meeting will be held April 12-16 at the Westin Copley Place Hotel in Boston, Massachusetts.

The ASE will begin the program on Monday, April 11th with four special programs—Troubleshooting Your Clerkship 106, Fundamentals of an Academic Career in Surgery Education, A Primer on Surgical Education Research, and ASE Coordinator Track Program [separate registration required for each]. The main ASE program meets Tuesday, April 12th, and Wednesday, April 13th. The Joint Day of ASE and APDS programming will be Thursday, April 14th. APDS will continue their meeting on Friday, April 15th, concluding on Saturday, April 16th. ARCS will meet starting Wednesday, April 13th, and conclude on Saturday, April 16th.

The APDS will again offer the APDS New Program Directors Workshop, which will begin at noon on Tuesday, April 12, and continue through a full-day session on Wednesday, April 13. Please note that the New Program Directors Workshop requires a separate registration.

The ASE starts things off this year on Tuesday at 1:00 pm with a plenary paper session that will include invited discussants. This will be followed by the J. Roland Folse Lectureship, delivered by Keith Lillemoe, MD, of Massachusetts General Hospital, Harvard Medical School. Tuesday's didactic program will conclude with a second paper session, a concurrent-oral session, followed by an ASE Poster Session and Reception. Wednesday morning opens with two paper sessions concurrent with two concurrent-oral sessions. The ASE Presidential Address will conclude the morning's education. Wednesday lunch will have the perennial and ever-popular "Thinking Out of the Box" luncheon. On Wednesday afternoon, ASE attendees will have their choice of attending two out of a series of eleven different workshops being offered. The educational program will be followed by the ASE Business Meeting. Wednesday evening will be the ASE "Celebrating Educational Scholarship" Banquet. Thursday morning will start with another paper session, followed by the inaugural Royce Laycock Lectureship delivered by Jon Chilingirian, PhD, Brandeis University, and a Panel entitled "Stepping Forward in Your Surgical Career". ASE's meeting will conclude with the "Speed Dating with the Experts" luncheon.

Beginning on Thursday at 1:00 pm, the APDS portion of the meeting will get underway with the APDS Keynote Speaker, James O. Pawelski, PhD, followed by the "What is New in Surgical Education" panel and a paper session "Tools of the Trade – Communication". Thursday evening will feature the joint APDS/ASE/ARCS Reception.

Friday will begin with a panel session on "System Based Practice & Assessment". This will be followed by Dr. Richard Damewood's APDS Presidential Address. Following a break, there will be an APDS panel session on "Designing a New ERAS Application for General Surgery". The afternoon will commence with two workshop sessions with a total of fifteen different workshop offerings for our attendees, followed by another APDS paper session. Friday's educational programming will conclude with two paper sessions followed by the APDS Business Meeting. The meeting will conclude on Saturday, with two APDS panel sessions and a paper session.

The ARCS program starts Wednesday morning with the ARCS New Coordinators' Workshop and the ARCS Welcome Reception. The main ARCS program begins Thursday morning with sessions including NAS Site Visit, Resident and Faculty Well Being and ACGME Milestones Evaluation. The afternoon offers three sessions including "Professional Development – Time Management". Thursday will conclude with ARCS registrants participating in the Joint APDS/ASE/ARCS Welcoming Reception. On Friday, ARCS begins with two sessions including "TAGME Update" and then will parallel the APDS with inclusion of Dr. Damewood's Presidential Address, as well as the professional development series session "Using the Framework of Appreciative Inquiry to Lead Culture Change". Saturday morning will include an update from the ABS and SCORE, and conclude with a professional development session "Coordinator's Resumes".

Registration details are enclosed. You can register for one group's meeting or choose the single fee option which entitles you to attend any and all ASE, APDS or ARCS events from Tuesday noon through Saturday. Separate registration is needed for the APDS New Program Directors Workshop, the ARCS New Coordinators Workshop, any of the ASE Monday workshops and the ASE lunches.

We hope that you will find Surgical Education Week 2016 informative and motivating. We know that you will enjoy spending time with your fellow surgical educators and we look forward to seeing you in Boston.

Hotel Information

The hotel rate at the Westin Copley Place hotel, located at 10 Huntington Avenue, in Boston, Massachusetts, for APDS/ASE/ARCS meeting attendees is \$259 + tax for single or double occupancy. RESERVE EARLY. THE HOTEL WILL LIKELY SELL-OUT OVER THE DATES OF THE APDS/ASE/ARCS MEETING. Please be sure your reservation request reaches the Westin Copley prior to March 18, 2016, when any remaining rooms will be released. Once the APDS/ASE/ARCS block of rooms is sold out, which may be earlier than March 18, 2016, there is no guarantee that rooms will be available or that they will be available at the APDS/ASE/ARCS convention rate.

Hotel Reservations:

- **Online** – Go to www.APDS.org or www.surgicaleducation.com and click on the link to the Westin Copley's on-line reservation site.
- **Phone** – Call the Westin Copley directly at (617) 262-9600. You must reference the APDS/ASE/ARCS meeting to get the special convention rate of \$259 + tax.

For complete check in/check out information and list of hotel amenities visit their website at <http://www.westincopleyplaceboston.com>.

ASE Banquet

On Wednesday evening, April 13, the ASE banquet will be held at the Westin Copley, featuring a cocktail reception at 6:30 pm followed by dinner from 7:30 pm until 9:30 pm. The registration fee for ASE meeting attendees includes admission to this event; 1 ticket per registrant will be included in the registration packet. Additional tickets can be purchased for \$125 each.

Exhibits

Manufacturers of equipment and pharmaceuticals, publishers of journals, textbooks and educational materials, and firms offering computer software have been invited to join us. ASE and APDS thank these exhibitors for their support, and urge you to visit the exhibits during the breaks and throughout the day, from Wednesday through Friday.

Area Attractions

The Westin Copley Place is centrally located and close to everything in Boston. Visit their website at <http://www.westincopleyplaceboston.com> for more information.

APDS/ASE/ARCS Joint Reception

On Thursday evening, April 14, all meeting attendees are invited to a welcoming reception, from 6:30 pm to 7:30 pm. The location for the reception will be announced.

ASE Thinking Out of the Box Luncheon

On Wednesday, April 13, the ASE Curriculum Committee will sponsor a forum for the brief presentation of creative ideas which are educationally sound, but which may not have undergone rigorous analytic proof of efficacy. The idea is to have members share creative ideas that have worked for them. The forum will be held during the "unassigned" lunch hour and a box lunch will be provided by separate subscription. The cost is \$50. There is a line on the registration form to register for this program.

ASE Workshops

ASE Workshops will be held on Wednesday, April 13. Session 1 begins at 1:30 pm, and Session 2 starts at 3:30 pm. Seating is limited and will be on a first-come, first-served basis. Sign-up will take place at the time of on-site registration

ASE Fundamentals of an Academic Career in Surgery

This course is designed for surgical educators interested in making Surgical Education their academic career focus. Whether you are a physician, PhD or nurse educator, this course will give you the fundamentals to get started and guidance to advance in your role as an effective surgery educator. The half-day course will focus on the basics: Defining a Surgery Educator, Obtaining the Skills, Overcoming Challenges, Charting your Career Course, Developing Your Educator's Portfolio, and Academic Productivity. Many sessions will be interactive, highlighting the various opportunities and resources available to you in your quest to fully develop your career. Monday April 11, 2016 12:30-5:00pm. Fee \$100.

ASE Primer on Surgical Education Research

Participants will learn more about surgical education research techniques including creating theoretical frameworks, formulating achievable research questions, quantitative and qualitative research methodology, and finding funding sources. This workshop is set at an advanced novice/intermediate level so some pre-knowledge of education research would be helpful. Monday, April 11, 2016, 8:00am-5:00pm; Fee: \$100.

ASE Troubleshooting Your Clerkship 106

Sixth-annual day-long course geared toward surgery Clerkship Directors and Clerkship Coordinators focusing on timely and challenging educational and assessment topics. Topics to be covered this year include individual student learning plans, implementing a longitudinal clerkship, oral exams and OSCEs for assessment, student mistreatment, remediation, defining honors, introduction to quality, balancing productivity and clerkship duties, engaging M1/M2 students and a panel discussion on "Surviving the LCME Visit". Time will be allocated for small group break-out sessions and networking over lunch. Monday April 11, 2016 7:00 AM Registration/Continental Breakfast, Course 7:45 AM -5:00 PM, Fee: \$250.

ASE Coordinators Track Program

The coordinator program track is designed to meet the development needs of undergraduate surgical education coordinators/administrators. Our program track provides invaluable opportunities for coordinators to enhance their development, network and share ideas with colleagues. The ASE Troubleshooting Your Clerkship 106 will be held on Day One along with the Clerkship Directors committee. The remainder of the program is scheduled in half day sessions to allow the opportunity for participants to attend other informative ASE sessions. The coordinator specific morning sessions will include: new coordinator workshop, best practice presentations, hot topic discussions, professional development opportunities, as well as our committee meeting. Fee: \$450/\$600.

APDS New Program Directors Workshop

The New Program Director's Workshop will be offered before the APDS meeting. This will take place on Tuesday, April 12, from 12:00 pm to 5:30 pm, and on Wednesday, April 13, from 8:00 am to 5:30 pm [separate registration required]. The dynamic workshop will include a review of key ABS, RRC, ACGME and other requirements impacting surgery residency programs. All Program Directors, whether new or with experience, and Associate Program Directors are encouraged to register for this special program. A cocktail reception will be held following the conclusion of the Tuesday session, from 5:30-6:00 pm. . **Program materials will be distributed via flash drive so participants are encouraged to bring an appropriate electronic device that will allow for viewing.**

APDS Workshops

APDS Workshops will be held on Friday, April 15. Session 1 begins at 12:00 pm, and Session 2 starts at 1:00 pm. Sign-up will take place at the time of on-site registration. Seating is limited and will be on a first-come, first-served basis. Box lunches will be provided during APDS Workshop Session I.

ARCS Residency Coordinators Meeting

On Wednesday, April 13, from 9:00 am-5:00 pm, there will be a special workshop for all new Residency Coordinators [separate registration required]. Coordinators will attend special presentations, panels and breakout sessions on Thursday, Friday and Saturday (breakfast is included each day). All ARCS attendees are invited to attend the ARCS welcome reception on Wednesday evening from 6:00 pm-7:15 pm. Registration also includes admission to the Thursday evening joint cocktail reception for all groups.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American College of Surgeons and the Association for Surgical Education/Association of Program Directors in Surgery. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

CME Credits

CME credit has been applied for through the American College of Surgeons.

Cancellation

Notice of cancellation and requests for refunds must be received in writing and will not be accepted by telephone. If notice of cancellation is received by March 11, 2016, a full refund will be given. A 50% refund will be given if written notice of cancellation is received by March 18, 2016. No refunds will be given if written notice is received after March 18, 2016. Registration cancellations are not accepted by telephone. Notice of cancellation can be faxed into the APDS office at (301) 560-6305 or email at apds@mindspring.com.
